THE SUPER
DEATH SQUAD HIT MAN

A COMEDY CRIME STOR-

The Superintendent of a building in

New York City is known for ridiculous stories about his past and why he now lives in the U.S. rather than in Brazil where he was a supposed death squad leader that was protected in the Brazilian constitution as someone who could kill anyone seen as a “poetically incompetent government officials.”

It is all fun and games until the tenants find out that the stories he tells have more truth to them than it seems.

Will your perception of Bob will change? You will be asking yourself: Is Bob more than a simple storyteller?
